

**The 52nd Annual Conference  
North East Chapter AAE August 14th - 18th, 2010  
Burlington, VT**

**Northern Lights Cruise on Lake Champlain**

As an alternative to the golf outing on Monday afternoon, the North East Chapter is offering a wonderful opportunity to take a relaxing cruise on Lake Champlain. The Northern Lights is a 115 foot long cruise boat built in 2002 with the traditional lines and layout of 19th and 20th century lake steamboats. Accommodating up to 150 passengers, the Northern Lights offers 2 decks, including a mahogany finished main lounge with plush carpeting.

The cruise will be narrated by a local historian, will last about 2.5 hours with a buffet lunch. The cost for this event is \$10 (Children under 12 are free).

You will be able to sign up for this event at:
